

## TRANE XB13 HEAT PUMP

### Trane Profit-ability

#### Sell-ability

- ≡ Industry leader and brand reputation
- ≡ Precision engineering
- ≡ Approved matched systems
- ≡ Sound levels as low as 78 dB

#### Install-ability

- ≡ Quick-Sess™ cabinet
- ≡ Easy-access service valves

#### Service-ability

- ≡ Easy single-side access
- ≡ Easy top and fan removal
- ≡ Refrigerant components outside of coil
- ≡ Easy coil cleaning
- ≡ Roto-lock fittings/no brazing
- ≡ Standardized component locations
- ≡ Full-length control and service valve cover

#### Performance-ability

- ≡ Efficient, up to 13.25 SEER and 7.7 HSPF
- ≡ Spine Fin™ coil
- ≡ Climatuff® compressor

#### Rely-ability

- ≡ SEET tested
- ≡ Factory-installed liquid line filter dryer
- ≡ Quality components
- ≡ Tougher validation and design criteria
- ≡ Low pressure switch

**TRANE**

*It's Hard To Stop A Trane.*

#### TRANE LIMITED WARRANTY

- 5-year compressor
- 5-year outdoor coil
- 5-year functional parts

### MORE EFFICIENCY. A COMFORTABLE OFFERING.

The TRANE XB13 offers your customers the cooling and heating **comfort** they're looking for, with a SEER to **meet new federal regulations**. Incorporating many of the same **technical advancements** and **innovative features** found in our top-of-the-line super-efficiency units, and extreme-weather tested for durability, the

XB13 is available at a price that puts it **within reach** for a wide segment of customers. It will deliver **substantial savings** on cooling and heating bills year after year. The XB13—a heat pump you can be **comfortable offering**, and your customers can be comfortable enjoying.

### Reliable performance

Precision engineering, design innovation and rigorous testing for reliable, long-lasting performance and durability.

### Better indoor air

Add a TRANE CleanEffects™ air filtration system and remove up to 99.98% of airborne allergens from the filtered air for a cleaner, more comfortable home.

### Comfort control

Give your customers better comfort control with a Trane digital or programmable thermostat.

### Efficient operation

Increased efficiency may substantially lower your customers' home utility costs.

# TRANE XB13 HEAT PUMP

Features and components may vary by model and are shown for illustration purposes only.

- 1 Climatuff® compressor**  
TRANE's Climatuff compressor has long been the standard for reliable operation. Whether the best-in-the-industry reciprocating or the new scroll design, you get superior durability, cost-saving efficiency and low sound levels.
- 2 Full-sided louvered panels**  
22-gauge, galvanized steel, louvered panels serve to keep the coil clean while protecting the coil surface from damaging elements like leaves, tree branches, hail and rambunctious neighborhood kids.
- 3 Baked-on powder paint**  
A finish that is virtually indestructible, even if the metal gets dented. 90,000 volts are applied to the paint as it exits the paint gun. The paint gives up its electrons to the grounded metal, resulting in a smooth finish. Maximum corrosion and chalk resistance. Eliminates sharp metal edges. Attractively blends with any architectural style and outdoor landscape.
- 4 Spine Fin™ coil**  
Engineered with internally grooved, all-aluminum tubes that stir the refrigerant and enhance heat transfer. Carefully designed to maximize the inherent efficiency, durability and low maintenance requirements of single-row, radial-tube heat exchangers. Fabricated in continuous lengths with brazed connections only at the coil (or circuit) inlet and outlet. Eliminates return bends, resulting in dramatically lower leak potential.
- 5 DuraTuff™ base pan**  
Manufactured to exacting standards. Will not crack, warp, corrode or rust.
- 6 Quick-Sess™ cabinet with full coil protection**  
Allows easy access to electrical and refrigerant controls. Shortens installation and service time. Decreases unit downtime.
- 7 Easy-access service valves**  
Located off the ground and away from the cabinet, so the chance of burning the cabinet when connecting refrigerant lines is greatly reduced.

## XB13 HEAT PUMP (R-22 Refrigerant)

Model	Nominal Tons	Height (in.)	Width (in.)	Depth (in.)
2TWB3018A	1.5	33	29	26
2TWB3024A	2.0	33	29	26
2TWB3030A	2.5	37	33	30
2TWB3036A	3.0	37	37	34
2TWB3042A	3.5	37	37	34

As part of our continuous product improvement, Trane reserves the right to change specifications and design without notice.

## Warranties generate additional income.

Trane extended warranties create additional income. Selling extended warranties is another way to protect your customers and generate future business.

## It all adds up to a stellar reputation.

We know that when you recommend our products to your loyal customers, you are placing your livelihood and reputation in our hands. We salute your expertise in delivering Trane technology and innovation to your customers — making their homes better places for living. You are the reason we can say “expect more from Trane.”
